

Research Manager
Intensive Training-1

RMIT-1

*New in the RM
profession*

For research managers
with 0 to around 2 years
of experience

Our Training Concept

1-3 June 2026

Hindåsgården, Hindås, Sweden

1750 all-inclusive (except travel)

Why Choose RMIT-1?

In this 3-day training course, you will boost your professional development by working together with peers on three core blocks in a unique hackathon format and learning from qualified senior research managers.

- ✓ Understand your role as RM across the project cycle
- ✓ Learn about R&I systems and EU funding
- ✓ Get practical tools and methods
- ✓ Become part of the international RM community
